Council Meeting, September 27, 1965

By-Law 57/65 - Storm Sewer Extension, Grandin Road - This By-Law is for the purpose of installing storm sewer pipe at the southerly end of Grandin Road, in order to take up excess moisture which has endangered adjacent residences, during the spring thaw, and the heavy rains which prevailed in the spring. The question was raised as to whether this could not be remedied by the installation of a temporary, less expensive plastic pipe. The Engineer was of the opinion that this would be a less expensive operation was doubtful, because eventually a permanent sewer system would have to be installed. It was pointed out that this item had been placed in the 1965 Budget. Councillor Parkes moved first reading of By-Law 57/65. Carried.

Access to Sir Alexander McKenzie and Paul Kane Schools - By means of a resolution passed at the joint meeting, Mr. Maandag was instructed to ascertain whether this portion of the sidewalk to Paul Kane School is covered in the Sturgeon Heights Stage V Debenture, and that the matter be tabled to the next meeting of Council at which time the School Board is requested to present the appropriate petitions. Mr. Wheatington advised that he had spoken to Mr. Walker in this regard to obtaining this petition. Mr. Maandag confirmed that he had been in touch with Walker & Newby Ltd., as to the inclusion of these sidewalks in the Stage V Debenture and advised that they are still looking into the matter and were not able to supply the necessary information at this time. However, Mr. Maandag anticipated an early reply. Councillor Stewart moved that Council accept the recommendation of the Committee and that this item be brought back to the next regular meeting of Council. Carried.

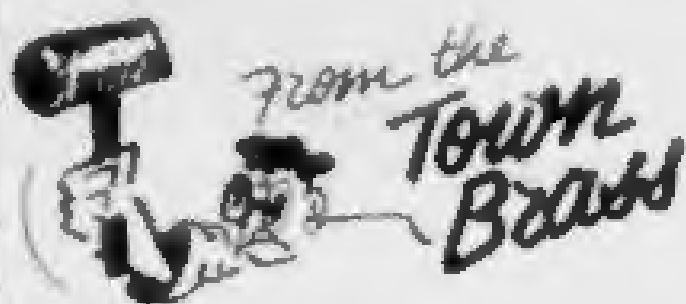

National Fire Code - There was a memorandum from the Fire Chief to Mr. Wheatington, expressing a desire to adopt the National Fire Code in order to better

enforce fire regulations. Recommendation to Council from the Committee was that a By-law be prepared incorporating the National Fire Code 1963, including possible revisions since 1963. Councillor Bakker moved that Council accept the recommendation of the Committee. Carried.

Parks Department - At this meeting, Mr. Andre Gato presented landscaping specifications for consideration. Recommendation from the Committee to Council was that the specifications prepared by Mr. Mr. Gato be adopted as policy and to be followed for all future landscaping of all public lands, both Town owned and school owned. Councillor deBruin moved the recommendation of the Committee be accepted by Council. Carried.

Glennville Subdivision - Agreement with J. J. Glashian - Mr. Whetling advised the Committee that Mr. Glashian had not yet paid his share of the costs improvements in the Glennville Subdivision. Mr. Glashian is prepared to pay \$15,000 at present, plus an additional \$7,000 in the spring of 1966, and the balance of \$7,000 in the summer of 1966. It was further explained that if the Agreement could be arranged in this manner, it would not hold up the construction work under way at the present time, and that the installation of improvements in the Glennville Subdivision would not be at

any time exceed the amount of monies received as above. Councillor deBruin moved that Council agree with the program as outlined by the Finance Committee. Motion Carried.

Additional Staff - Accounting Department - Councillor Whetling moved that the memorandum from Mr. Billings to the Chairman of the Finance Committee be accepted and that Council authorize the Secretary-Treasurer to hire a Junior Clerk to work in the accounting department of the Town Salary Grade to be No. 6, with commencing salary to be either period 1, 2, or 3 at the discretion of the Secretary-Treasurer. Carried.

Salary Review - Councillor deBruin advised that at a meeting held on September 26th, 1965, the salary of certain members of the staff was brought forward for review. The following employees were advised by Council, that their salary would be reviewed at the end of six months: Mr. L. Whetling, Mr. J. Maundag, Mr. W. Gibb. The recommendation of the Committee was as follows: Mr. Gibb be placed in the Pay Grade 26, period 2, effective July 15, 1965. Mr. Maundag be placed in Pay Grade 30, Period 4, effective October 1st, 1965. Mr. L. Whetling be placed in Pay Grade 32, Period 4, effective September 1st, 1965. As to the other member of the staff, there was no advice given to the Committee, and they felt they would need further study on this. Councillor deBruin moved that Council accept the recommendation of the Personnel Committee as outlined above. Carried.

Petition for Services - Mr. F. L. Akins - Mr. Whetling read a letter from Mr. F. L. Akins stating he wished to have sanitary sewer and water services installed to his property on Sturgeon Road. He further advised Council that Mr. Akins stated in his letter, that he was prepared to prepay for these services in full. Councillor Bakker moved that Council approve this application for services. Carried.

Tax Sale - Mrs. A. M. M. M. M. - Mr. Whetling advised Council that a letter had been received from the Town solicitors, advising that the Town immediately commence tax recovery proceedings against the property on which the hotel units were situated. Mr. Whetling read a memorandum from Mr. Billings outlining the current value of the property on the corner of Sturgeon Road. At \$1.50 per sq. ft., the commercial value of this land would be approximately \$25,000. The present assessed value of the land located on Lot 17, would be approximately \$10,000 which would result in a reserve of \$15,000. The taxes owed, including the 1965 levy, total \$8,700.00, thus leaving the taxes on the hotel. After a fairly lengthy discussion on this matter the Council decided to recommend that the property be sold at \$12.00 per sq. ft. and accept

St. Albert & District Chamber of Commerce - Mr. Whetling read a letter from the St. Albert & District Chamber of Commerce asking that the Town absorb a portion of the cost of erecting the two directional signs on Highway No. 2. Councillor Bakker moved that this letter be forwarded to the Finance Committee. Carried.

Hospital Program - Councillor Whetling presented the views of the St. Albert & District Medical Society, that they would like to know where the Town stood in regard to the hospital. Mr. Whetling had been in contact with Mr. Foster, who suggested that Council adopt this program and that the Town should be able to attract and retain a hospital and that this matter would be discussed at a later date with the hospital. Mr. Whetling moved that Council accept the recommendation of the Committee by the Department of Health, that the Town should be able to attract and retain a hospital and that the Town should be able to attract and retain a hospital and that the Town should be able to attract and retain a hospital. Carried.

CONCERNING

a recently distributed leaflet to SAY THAT our Town has only one major problem "financial" is an over simplification and shows lack of understanding of the sources of municipal revenues.

Capital reserves can only be built up by raising your taxes on residential and commercial properties or by drastic cut-backs in municipal services to the ratepayer

WE FAVOUR

— A reduction in taxes, with an increase in services, by negotiating with the Provincial Government to obtain a fairer adjustment of provincial educational grants per capita student from the school foundation program, thus a greater amount of town revenues to be spent on services, streets, parks, recreation, etc.

WE FAVOUR

- o Recreation complex with enclosed swimming pool as a nucleus
- o Further development of the "joint use" program encompassing all groups, clubs and governing bodies as to school and recreation facilities
- o The formulation of an extensive organized effort to re-establish confidence in our town among builders and home owners both present and future and to continue the improvement of the town's public image
- o The attainment of a balanced residential, commercial and industrial growth
- o Obtaining Provincial Government assistance for the continued expansion of recreation program with development of parks, camping grounds and tourist facilities
- o The early establishment of a Junior College
- o The curtailment of all terms such as "defer" "refer" "table" "rescind" "file", etc. by council members and quicker handling of town business by council
- o A progressive decisive council to create a prosperous vigorous united community

as an Interested Citizen.

I NEED YOUR VOTE!!!

Raymond M. Gibbon for Council

Wednesday

October 13th.

I maintain that the ills of St. Albert can be cured by correcting our financial problems. This can be accomplished by reducing debenture expenditures and in the acquisition of additional sources of income for the town.

Elect a TRULY INDEPENDENT candidate who has already shown a sincere interest in our community. A man who can devote as much time as necessary for good administration.

For further information phone 599-7614 or attend the rally on October 11, 8 p.m., St. Albert Community Hall.

VOTE WITH AUTHORITY!

The traditional annual St. Albert Election Rally, sponsored by our Chamber, will take place this Monday, October 11 (Holiday) at 8 P.M. in the St. Albert Community Hall. This rally will be a very interesting one because only four candidates will present their platform which will mean that each candidate will have enough time but there will be also plenty of time for the question period. St. Albert has the highest standard in regards to attendance for political meetings. Last election rally saw a crowd of 500 people which proves that our Taxpayers are keen to know what men will become the watch dogs over their Taxpayers' money. For those who have never attended these meetings, a friendly suggestion to do it this time. To know and to hear the candidates makes it easier for all of us to decide on election day to whom we will give our vote. As the Mayor's salary will be a very important issue during this election, you will have a chance to discuss this matter with the different candidates. Use the end of your holiday as a good, interested citizen of our Town by attending this so important local civic event! Vote with Authority!

WE THANK YOU LORD!

By Rev. E. Klaszus - St. Albert Lutheran Church

Wouldst thou first pause to thank thy God for every pleasure
For mourning over griefs thou wouldst not find the leisure.
This saying indicates that man does not pause enough to give thanks. Long ago our national leaders therefore set aside a day for such a pause; not a pause which is only to be a day of relaxation, but also of contemplation.
We would miss the meaning of this national holiday completely if we would only enquire about the history of this day or the different customs that are connected with it. Our Thanksgiving Day will become meaningful to us only if we actually pause and start giving thanks:
For a homeland in which we and people of many races and languages live together in peace and harmony - we thank you, Lord!
For a society in which tolerance and even good will are fostered and cherished - we thank you, Lord!
For a country in which we enjoy liberty and the protection of our rights - we thank you, Lord!
For a government which does not interfere with the exercise of our faith - we thank you, Lord!
For lawmakers and all officials of country, province and community who constantly strive to make this an even better place to live in - we thank you, Lord!
For our police forces which are watchful to protect our land and our community against enemies from within - we thank you, Lord!
For our military forces which have not only shown readiness in times of national crises but which are also willing to bring sacrifices to preserve the peace in other countries - we thank you, Lord!
For our scientists who use the immense power of the atom for peaceful purposes - we thank you, Lord!
For an economy in which we can even make debts to further ourselves - we thank you, Lord!
For our family, friendships, organizational life, community spirit, and for all those who work in the service of their fellowmen - we thank you, Lord!
For a harvest which will still enable us to supply food for many other countries and even for our enemies - we thank you, Lord!
For the many personal blessings which are too numerous to mention - we thank you, Lord!
For the many things which we have not as yet learned to see as blessings - we thank you, Lord!

Parish Supper - The chicken supper held on Sunday, October 3rd was very well attended with five hundred being served by many parishioners and members of the L.A.L. Thanks are expressed to all who attended and in any way helped in the preparations which resulted in

its being a social and financial success. **Day of the North** - A most successful retreat was held on Sunday evening for the very happy young ladies who went to the retreat especially prepared for them by the staff co-ordinator and co-ordinator with the staff of the North. Lectures in the language of English, French and Ukrainian were presented with frequent questions and answers and the girls took a very active part. The time was also in the order of the day, with attention to Mass and prayer and devotion, and a

ing the need for a closer relation to God. After registering Friday evening, the girls were assigned to their individual rooms which gave them privacy and a chance to find themselves in quiet solitude. Private counselling with any speaker were easily arranged, giving each retreatant a chance to voice any personal problem. Saturday evening a bonfire and sing-song accompanied by guitars was a pleasant diversion. Singing together out in the open was not a distraction but an expression of joy in prayer. During the retreat a special topic was Personality development and Personality applied to Christian life. This is but one of many such retreats given and planned for young people at the Star of the North Retreat house. **High School Students' Retreat** being Thursday, October 7 until Saturday, October 9. Telephone 593-6122. For Catholics, October 10 is usually the Month of the Holy Rosary.

A fund for the new Christian education wing of our church has been established and we hope that many will contribute to this as they are able.

ANGLICAN CHURCH

Thanksgiving and Harvest Festival will be held on October 10th. We express our thanksgiving for the gifts of God from field and factory and those experienced in our own homes and families. We invite you to come and bring your friends. Last week the attendance at 8 A.M. was much toward relieving the pressure on space and books at 11 A.M. We need to develop this dual service system in order to keep our accommodation requirements at a reasonable level. Parents and their children are encouraged to attend as a family. The service takes place

A DRAW AGAIN!

Stanley Mathews Cup - A Draw Again!

The second soccer game playoff between the St. Albert Hercules Pee Wees and the Edmonton Victoria ended again in a draw (2-2). Hundreds of Soccer fans were cheering both teams at the Soccer field at Clarke Stadium last Sunday. This time Victoria was leading until five minutes before the end of the game but a magnificent goal of the Hercules forward brought it to a tie. A fifteen minute overtime did not change the score. The final game between the two teams in this exciting playoff will be played this Saturday in St. Albert, 10:30 A.M. at the Paul Kane Soccer Field. The Hercules team hopes to see many of their local supporters to cheer them to a victory. If this game would be a draw again, the executive of the Edmonton & District minor soccer league has decided that penalties must be taken. After the game the official presentation of the Stanley Mathews Cup will take place.

October - The name of this month is derived from the eighth month of the old Latin calendar, Octavus. White and yellow are the colors, while Opal is the birthstone. Besides the beauty of the birthstone, is its meaning which is hope. The choice of flower for this month is Poinsettia.

Social

Congratulations to Mr. & Mrs. Ed. Venes on the occasion of their 25th wedding Anniversary.

Mr. & Mrs. Desautel of 23 Madonna Drive have as their guests their son, Paul, and Marlene, his charming wife, of one year from Missoula, Montana, U.S.A. Paul has graduated with honors in his

Major, Art, while attending the University of Montana for the past three years. At Notre Dame de la Paix in Falher he passed Grades IX and X, completing High School in St. Albert. Mrs. Desautel, besides encouraging her husband in his studies, kept herself busy as a dental assistant. Continuing in his chosen profession, Paul expects to enter the field of advertising in the City of Edmonton. Another son, Maurice, who received part of his education at St. John's College and graduated from St. Mary's High School in Edmonton, will continue his University course in the fall of 1966 after a year's absence. Louise, their fourteen year old daughter took her early schooling at Notre Dame Convent in Morinville, then enrolled at the Assumption Academy where she passed Grade IX with honors. Receiving 92% in musical theory and honors in Grade VIII music, Louise was awarded a bursary.

She is presently attending Grade X at St. Albert High School where she will entertain at the forthcoming graduation "Help thy Neighbour" when they meet you. For residents who are newcomers to St. Albert, this organization is a group of volunteer housewives who try to help where and whenever possible neighbors who in emergencies such as illness, etc. need assistance. Volunteers who can leave their homes to lend a hand while their children are in school will do so, while those who must remain at home with small tots will do their part by keeping the children of a neighbor until other arrangements can be made. "Help thy Neighbour" has been working very successfully for several months with cooperation from volunteers in areas controlled by Co-ordinator, June Leggett. Team Captains - Alice Lockhart, Sturgeon Heights, Kay Krupa for Sturgeon Park, Brenda Parks for Braemar, and Marion Sim for Grandin Park. By dialing TOLL FREE 599-6611, the neighbor who needs this assistance will get immediate attention from this service as her call will be relayed to the Co-ordinator, June Leggett. June will then call the Team Captain in that area who in turn finds someone who can help from her list of volunteers. For this system to run smoothly there should be three or four volunteers to each precinct, avenue or section. Sturgeon Heights and Grandin Park could use three Captains, each serving a portion of that area. Marion Sim, because of other commitments, needs someone to replace her. She has been most active and has personally helped many people and will continue whenever she can. June Leggett, Co-ordinator, requires someone to replace her for personal reasons. This work is not hard, but June has found it most rewarding. Would be ideal for a person who is unable to leave their home for active service. You are urged to please pass forward and volunteer if you can. Since the very beginning of this organization, June has heard of all the thoughtful, neighborly acts of kindness by those who are not on lists as yet. To these persons we offer thanks, because this was the original aim of "Help Thy Neighbour". However, several calls lead those in charge wondering. How many of you really know your neighbors? Do you know her problem, her needs? May be your neighbors don't know you are new to St. Albert and have no friends or family to turn to for help. On the other hand, without knowing you they cannot help you either, so invite them over for a few minutes for a cup of coffee. Besides those who do help their neighbor without our teamwork, there is an urgent need for the organized "Help Thy Neighbour". Please telephone the Captain in your area and give her your number. There is also an urgent need for Babysitters, housekeepers, etc. who

do this for a living. Calls come in every week for a housekeeper for a few weeks or a full time housekeeper. Anyone in St. Albert who does this for emergencies, please let us know so that a separate list can be compiled for this purpose. For housewives who just need a half or a whole day off once in a while, and who would gladly do the same for you, neighbor, go ahead and ask her and arrange an exchange when convenient it's wonderful! Publicity on Laura Lindsay's T.V. program was very favorably received, besides articles in the St. Albert Gazette from which you get the list of persons to call, have helped to promote "Help Thy Neighbour". Though she is no longer working in St. Albert, Miss Anita Keats, former case worker for the Town, is certainly deserving of thanks for her vigorous and untiring efforts in promoting our club. Alice Lockhart who conceived the idea took it to Anita who with her usual enthusiasm and zeal, put the wheels in motion. Miss Keats gave of her time unstintingly and is still helping whenever she can.

Club Notes

Ladies of St. Albert Northwestern Utilities Cooking School - Wednesday, October 13th in the St. Albert R.C. Parish Hall at 8:30 P.M. Tickets may be obtained from any C.W.L. member or from Mrs. W. Mirlin, 16 Grosvenor Blvd., ph. 599-6934. The charge is 50¢ for each ticket which entitles the holder to a chance in the draw for each dish prepared by the Home Economist. All proceeds will go towards the C.W.L. Diocesan Centennial Project - the Home for Metis Girls. All ladies of St. Albert are welcome. We suggest that you reserve your tickets early and avoid disappointment.

St. Albert Women's Institute - After a long summer recess the W.I. met Tuesday September 28th at the home of Mrs. Drough. Twenty-two members were present and there was a great response at roll call which was for silk stockings and pieces of material to be sent to the Mental Hospital. The general business completed, Mrs. Welland introduced the speaker, Mr. Ben Baich, Supervisor for Community Development Services of Northern Indians. He spoke of the History of Indians and how the services were bringing education, health and welfare to them. During his very interesting address, he expressed his feeling that definite progress was being made, but that involvement was made difficult due to the fact that the Indian was not aware that a working community was necessary. The St. Albert A.I. Scholarship for highest standing in Grade 9 for the year 1964-65 was awarded to Duane Schlereth of Vital Grandin School.

The meeting closed with lunch served after a most enlightening evening. Happy Hour Bible Club (Non-denominational) - Starting on Thursday, October 7th

at 4:15 to 5:15 P.M. All children of school and kindergarten age are cordially invited to attend this class with Bible stories told so you can understand illustrated by slides and flannelgraph. Classes will be held in the home of Mrs. Mary McLaren, 15 Grandville Place, and will be taught by Mrs. Chris Foster. For further information call Mrs. Foster at 599-7286.

COVEY - THIBAUT

Yellow and white gladioli decorated the altar of Westminster United Church in Edmonton on September 11th when Miss Joan Beverly, eldest daughter of Mr. & Mrs. Bernard Thibault of St. Albert became the bride of Mr. Gerald William, eldest son of Mr. & Mrs. Kenneth Covey of Biggar, Saskatchewan. Reverend Robert Leighton performed the ceremony. Entering the church on the arm of her father, the bride wore a floor length gown of white chiffon over net and taffeta with round neckline and full length lily-point sleeves. The three tiered veil was shoulder length and was held in place with a white flowered headpiece, and she carried a crescent-shaped bouquet of yellow roses and white daisies. Maid of honor, Miss Virginia Blackie, wearing a floor length sheath in yellow chiffon over taffeta was assisted by the sister of the bride, Miss Judy Thibault who wore a floor length sheath of white chiffon over taffeta. Both gowns featured an empire waistline. They wore yellow net headpieces which were gathered onto a fillet and carried semi-crescent

shaped bouquets of yellow and white daisies.

The best man was Mr. Ray Lowry and ushering guests was Mr. Alan Blackie. The mother of the bride wore a blue sheath of lace over crepe with matching accessories to receive the guests at a reception which was held at the Club Monoco. Her corsage was of white baby mums. Mrs. Covey, mother of the groom, chose a double-knit suit in grey with matching accessories, and her corsage was of pink sweetheart roses. For going away, the bride chose a suit in yellow and white with white accessories and a corsage of yellow sweetheart roses.

Out of town guests that attended the wedding included Miss Evelyn Imbeau of Calgary, Mr. & Mrs. Robert Young and the grandmother of the groom Mrs. A. McLeod of Saskatoon, Mr. James Covey of North Battleford, and Mr. & Mrs. Kenneth Covey and Mr. Michael Covey from Biggar, Sask. The newlyweds are making their home in Edmonton.
